

LIL RAFTERS READING PROGRAM

Dear Parents,

The Wisconsin Rapids Rafters Baseball Club, Mid-State Technical College, and Food + Farm Exploration Center are offering a wonderful opportunity to join their Lil' Rafters Reading Program. This program is open to all Central Wisconsin schools and classrooms. Students will be asked to meet a reading goal set by the students' teacher. Students will have from **(Insert timeline)** to meet their goals. Every student who reaches the halfway point of the program will receive **ONE FREE ADMISSION** to Food + Farm Exploration Center. Every student who meets the goal will receive **TWO FREE TICKETS** to a Rafters game.

Once the goal has been met, your child will receive a certificate of completion and a ticket order form. Parents will be responsible for ordering the students' free tickets plus tickets for family members and friends who would like to attend the game for \$5.00 each. **Ticket order forms can be returned to the Rafters Ticket Office.**

This program is voluntary; however, if you would like your child to increase their love of reading and cheer on our area baseball team at the same time, please encourage them to join the Lil' Rafters Reading Program.

Dates of the Program: April 15-May 15, 2024

**Order forms can be returned to the Rafters Front Office at 521 Lincoln Street
Return the order form in-person to select a date
OR fill in the desired date on the order form and mail in.**
