A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

April 11, 2024

Dear Royal Heroes,

Thank you for doing all you can to keep our school safe and a strong instructional zone. It has been awesome to see all the students reaching their goals for hex 5. The last hex will begin on our return on Monday, and we are all looking to end our year with the equivalent of fireworks!

This week has been filled with ITBS testing and we are finishing this up next week. Thank you for keeping your child in school during this time. Attendance matters.

Please keep us all in your prayers and we will do the same.

Peace to you,

Mrs. Fochs

The skies were cloudy, yet God gave us some gaps to see the eclipse.

FASCINATING!

At prayer service we reflected on the eclipse and what life will be like for us when we get to see it again...24 years from now.

There were some very interesting plans we have going on with our students.

Thank you, Darla Allen for setting us up with the eclipse glasses!
