### A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

April 26, 2024

Dear Future 4th, 5th, and 6th grade Families,

Yep, that's you! In one month you will have older kids that are ready to take on the next grade level. How do you feel about that? Thank you for all of your support.

That being said, it is so important for your children to be in attendance at school. Let's make it 24/24 days for all of us. It's quite hard for the teacher heroes to teach students who are not here. There is still a lot to be learned.

Our final STAR assessments for the year will be taking place in May. Your child's results will be sent home with their report cards at the end of the year. Have you looked into the Stay Smart Program yet? This summer opportunity will bring you some academic routine for June and July. You will see some very familiar teachers helping out at AHS.

Keep an eye on your calendar for all of the alternate activities we have during the month of May. It is proving to be very exciting!

Please keep us all in your prayers and we will do the same.

Peace to you,

Mrs. Fochs

---

Please pray for:

Mike Stratton

Jenny McKittrick

Loeser Family

# RaiseRight™

Simply the right way to fundraise

If you are looking for that perfect gift for Faculty/Staff Appreciation week check out the Scrip office. They have access to all of the teachers' favorite scrip. What a way to help your child's teacher at the same time getting Scrip credit for your tuition.

### SCRIP Hours

Mon: 9am-12pm

Tues: 9am-1pm

Thurs: 11am-6pm

Fri: 9am-1pm

## Parent Alert—New Update

Please **add the new short code 317065** to your saved contact for your school so it does not display as an unknown sender.

Parent alert is used sparingly for out of the ordinary circumstances. It is also what we use for snow days.

If you have previously opted out of the Parent Alert you will need to do it again.

# THANK YOU, MS. MEINEL!

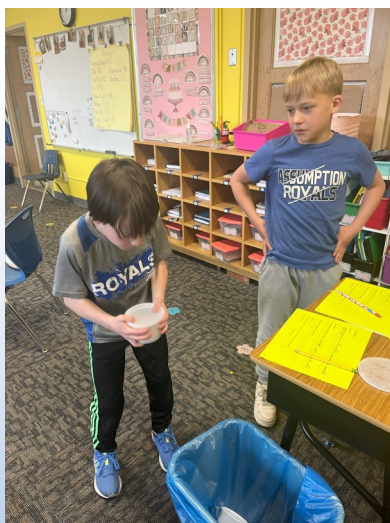

The 3rd grade bid adieu to Ms. Meinel after her time spent long-term subbing for Mrs. Breidel. We will see her occasionally throughout the rest of the year subbing for Assumption. We wish her luck as she embarks on her educational journey in Utah teaching 3rd graders next year.

## 4TH GRADE SCIENCE

4th graders were able to check out their hypotheses in science class. All the good science experiments contain a clean up element.

It's time for our 4th grade to start training as 5th grade and take on more advanced roles in our school. Thank you for stepping up 4th grade!!

# WELCOME BACK, MRS. BREIDEL!

We welcome back, Mrs. Breidel after she has spent precious time with Gianna and Beretta, and Mr. Breidel, too. We can't wait to hear all the stories and see all the pictures

## 4TH SAFETY PATROL TRAINING
