A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

April 5, 2024

Dear Families,

The solar eclipse will be on Monday. A big thank you to Darla Allen and the Nekoosa Public Library for assisting us in procuring our eclipse glasses. We'll be outside during this monumental event. Please talk with your child about the safety of wearing their glasses during this time, and not staring into the sun without them.

As we are nearing the last hex of the school year, please keep a close eye on items coming home. Many activities take place during the next couple of months. Things may begin to blur. Please know that we are just a call away and will help in any way we can.

Our April sure came in a very non-spring-like manner! Please look ahead to the daily weather as to what to wear for the outdoors.

With the end of hex 5 coming next week we are so proud of the many goals that have already been reached! Students really pushed themselves this hex!

Believe it or not, we have already started planning for our next school year. If you haven't already, please enroll your angel in Catholic schools. Bring ALL your friends, too!

Peace to you,

Mrs. Fochs
