Dear OLQH Families,

We have had another great week of learning here at OLQH. Thank you for helping to make sure that your children continue to put forth their best efforts.

Each of the twelve months of the year has a Catholic devotional theme. In the Catholic Church, during the month of May we honor Mary, the mother of God. Below are four ideas that you and your family can take part in to honor Mary this May.

- Pray the Rosary as a family
- Participate in a May Crowning
- Place an image of Mary or a small Mary statue in your living space
- Learn or pray a new Marian Devotion

Our virtue for the month of May is temperance. Throughout the month, students will learn that the virtue of temperance is about practicing self-control. Temperance also helps us control our actions, thoughts, and feelings. In addition, students will learn that our passions, desires and created goods need to be used in the proper time, the proper place, and in proper moderation.

Happy weekend and God bless,
Ms. Shelley Bruley
